Dear Mr. McAllister:

As organizing Chairman of the Summer Conference "Nutrients and Gene Expression in Carcinogenesis" scheduled at Copper Mountain, Colorado for July 31 through August 4, I hereby acknowledge funds your council will provide for this conference as stated in your letter of March 22, 1989. Your assistance will be very helpful in making it possible for young investigators and trainees to attend this conference. The Federation of American Societies in Experimental Biology (FASEB) with financial help from you and others makes these important opportunities possible. We appreciate your generosity.

Sincerely yours,

Willard J. Visek, Ph.D., M.D.
